DARLENE HUETHER

SECRETARY | DIRECTOR OF OFFICE OPERATIONS

Darlene has been involved with Gulfpoint Construction since she and John started their company in 1985.

Darlene's experience has been with custom homes, condominium developments, clubhouses, office buildings, churches, and schools. Projects have ranged from 5,000 sf to over 200,000 sf. She has also been involved with 500 unit condominium projects with golf courses as well as single-family developments. The value of projects ranged from \$100,000 to \$70,000,000.

Darlene's responsibilities include bookkeeping, cost control, budgeting, marketing analysis and setting up of computer programs. Darlene will serve as office coordinator of this project. She will be involved with the project from design through completion of this project and will oversee all reports, contracts, computer updating, logs, etc.
